Are you ready to really think about God?

What does it mean when people say they know God?
How does our faith relate to our understanding of the world, ourselves and our communities today?

This course is an ideal introduction to the main ideas that shape Christian thinking and living.
If you have questions about what it means to be Christian, this is an opportunity to explore them in the company of others who are also seeking to deepen their faith.

Beginning Theological Studies with Rev Dr Frank Rees
Whitley College 50 The Avenue, Parkville
Semester 1 2014 Wednesday 9.30am - 12.30pm
