Whitley College invites you to start your open day in Melbourne at our totally sweet donut-shaped building on Royal Parade, opposite Princes Park. We are a short walk from the Uni, so it’s easy and free to park your car here. We’ll even make you breakfast and show you around. Then with your stomach full of food and your head full of dreams you can wander up to the university and around the other colleges for the rest of the day. See you on the 19th August!
